LOW LEVEL SUPPORT for the ABC

NAME MISSING ?

Some candidates are not included because they did not return the questionnaire, or they relied only on party policy when invited to give a personal commitment to the ABC

Candidates' support is demonstrated by: responses to ABC Friends survey questions (on the ABC's role, funding levels, independence, scope and quality of services, freedom from political interference and privatisation); relevant party policies/platforms relating to the ABC, public statements made by candidates and relevant party comments, decisions and voting record on ABC issues.
